WORD

“Deep Wells”

On Sunday Pastor Pushie preached a message that when we grow tired, we need to draw from the deep wells that never run dry. Jesus is the living water! The Holy Spirit will fill you when you're thirsty.

Ask a Homecell member to read the following:

John 4:1-10

Question 1:

Why do you think Jesus left when He knew the Pharisees had heard his disciples baptised more people than John?

The answer: Jesus left the religious people and sought those who was after His heart. (Samaritan woman – who had a desire (hunger and thirst) for the living water).

Ask a Homecell member to read the following:

(Read again) John 4:1-10

Question 2:

What do you think made Jesus tired?

Answers:

The opposition from the Pharisees (emotional)

The trip (physical)

People pulling and tugging on Him continually wanting Him to heal them and set them free (spiritual)

This ought to be really encouraging!

Jesus also got tired. It is okay to get tired sometimes. When you get tired... rest don't quit! Drink from the Living Well.

Question 3:

How do you refuel? How do you get restored?

John 4:10

You simply have to ask and acknowledge that you are thirsty and need the Living Water.

Pray this prayer with the whole homecell:

Lord, today, I ask You to

fill me that I can overflow

Today, anoint me with fresh oil and fresh power.

Fill me, from the top of my head to the soles of my feet, let me run over.
In Jesus mighty Name. Amen!

Go into worship again.
